

We are always looking for talented experienced individuals!

Our business casual work environment is perfect for experienced candidates who have a passion for excellence, desire to continue learning, and skills that will help our clients succeed. You will have the opportunity to work with a diverse group of clients who will appreciate your skills and expertise.

Our employees are encouraged to work together along with firm management to improve their knowledge and learn from each other. In addition to learning from each other, we invest heavily in the continuing education of our employees by financially supporting their certifications and professional development. We also provide our staff with cutting edge technology and the resources needed to be successful.

You will find that joining our firm allows you to foster your passion for accounting and client service, continue developing your technical skills while building a client base, and create positive professional relations with your peers and our firm's management team.

As member of the Tax Department, you will

- Prepare and/or review Federal and State, Individual and Business Tax Returns
- Prepare and/or review Financial Statements
- Research tax issues
- Interact with I.R.S.

As member of the Audit Department, you will:

- Review of audit work papers and/or financial reports
- Establish and maintain client relations
- Compile and/or review Financial Statements
- Coordinate and complete annual audits

If you have the following skills, we would like to visit with you:

- 4 year degree from an accredited university
- 4 years public accounting experience
- CPA licensee preferred, but not required
- Excellent communication skills, written and oral
- Highly motivated with a self-starting personality
- Proven knowledge of accounting principles, practices, standards, laws and regulations
- Advanced computer skills in accounting software and MS Office Suite

We would like to talk to you! Send us your resume [HERE](#).
